2012 Estate Red Mountain Old Block Cabernet Sauvignon

A wine made to celebrate 40 years of vineyard management (they planted their first vineyard on Red Mountain in 1975), the 2012 Cabernet Sauvignon Old Block is a gorgeous Cabernet Sauvignon that does everything right. Elegant, seamless, weightless and yet still rich and textured, it offers classic cassis and assorted dark fruits, toasted spice and licorice characteristics on the nose and palate. Coming from the original "Old Block" plantings, it's already approachable now, yet I suspect will have 15 years or more of overall longevity.
