

2013 Grand Harvest Awards

The Grand Harvest Awards are conducted by Vineyard and Winery Management Magazine.

From their website: *“Established in 1990, it is the only wine-judging event in North America that is based on Terroir - a group of vineyards (or even vines) from the same region, belonging to a specific appellation, and sharing the same type of soil, weather conditions, grapes and wine making savoir-faire, which contribute to give its specific personality to the wine.”*
