

**93****2018 Kiona Ranch Vineyard Red Wine**

Mostly Cabernet Sauvignon with splashes of Petit Verdot and Zinfandel, the 2018 Ranch Vineyard Red Wine is dark ruby in the glass, offering aromas of gorgeous and voluptuous fruit tones. Aromas of dark cherry, roasted plum and blackberry jus sway with a dusty core and firm frame that will delight for over a decade. Medium to full-bodied, the palate shows a balanced structure with succulent acidity and fine-grained tannins before ending with a long, lingering, ever-evolving finish. It's a fantastic bottling that should be in your cellar.
