

**93****2019 Kiona Cabernet Sauvignon Heart of the Hill**

Firm and oak-driven, the 2019 Cabernet Sauvignon Heart of the Hill comes from five separate blocks that were co-fermented together. Full-bodied, the wine is layered with gorgeous dark red fruits that burst with elegant brown baking spices in the mouth. The Cabernet continues to gain in complexity as it struts across the mid-palate with incredible length and silky, fine-grained tannins. Impressive, I'm going back for more!
