**2019 Estate Bottled**  
**Red Mountain Chenin Blanc Ice Wine**

“The frost in late autumn sits right on the Chenin Blanc vines at the Kiona state near Sunset Road producing a true ice wine that is so fun to drink. Supple floral aromas accented with rich ripe apricot, poached pear and peach skin. The palate is rich, luxurious and delicious. Sweet yet fresh stone fruits, cantaloupe, stewed apple and lots and lots of floral character. Is it appropriate to say yum?”
