

**2022 Kiona Vineyards And Winery
NYX**

From the producer's Mythology Series, the 2022 NYX is a Super Tuscan-inspired cuvée that's intended to be experimental, combining 62% Ranch at the End of the Road Sangiovese, 20% End of the Road Syrah, and 18% Heart of the Hill Merlot. It's soft, seductive, floral, and deeply fruited in dried cherry. Full-bodied, it's a robust, rustic wine that is drinking well young and should continue to develop over the next 5-7 years.
