2022 Estate Bottled Red Mountain Reserve

“...The nose is expressive, showing notes of ripe red currant, black plum, dried sage, and crushed peppercorn, with hints of cured meat and tilled soil adding depth. The palate is broad and energetic, weaving together spiced berry compote, savory herbs, and mineral accents that feel both polished and lively. Supported by firm, chalk-textured tannins and a pulse of refreshing acidity, it closes with a persistent finish. Drink this with slow-roasted lamb shoulder with rosemary and garlic.”
