## RED MOUNTAIN AVA

2013

### ESTATE RED MOUNTAIN Reserve

#### RED MOUNTAIN ORIGINALS

In 1975 our family planted the first vineyard on Red Mountain, an area now known for producing some of the world's most powerful, opulent wines of distinction. For three generations we've worked side by side, hand in hand to craft exciting, vineyard-driven wines that capture the essence of Red Mountain.

#### VINEYARD PROFILE

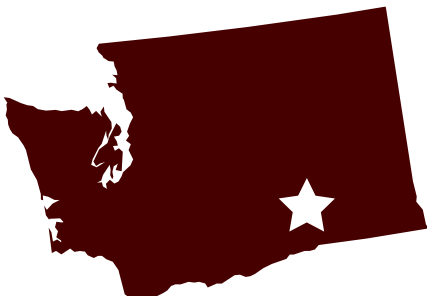

The idea with our flagship Estate Red Mountain Reserve is to make the very best wine from our Red Mountain acreage that we can in a given vintage. Given our 40+ years of experience with more than 240 estate-grown acres, we feel this blend is the definitive wine of our area and family vineyards.

#### WINE PROFILE

By blending old and new plantings, the 2013 Estate Red Mountain Reserve strikes a remarkable balance between power and finesse. The core of the wine is undeniably Cabernet Sauvignon, but it's complemented by a host of other traditional blending partners. This wine is the answer to the question, "What's so special about Red Mountain?"

#### VINTAGE NOTES

2013 featured a hotter-than-usual summer truncated by an abrupt drop in temperature in mid-September. This stalled sugar development, allowing for continued flavor development and great acid retention before harvest.
