"The 2022 Cymbal bursts from the glass with an intense mix of crushed grapefruit, sage and freshly-cut grass. This is luxuriously soft and round, with ripe mineral-tinged nectarines and sweet spices wonderfully balanced by a core of saline minerality. One of the most refined Washington State Sauvignon Blancs I have come across."

"Pear, nectarine and dusty incense aromas trigger numerous repeat sniffs of the glass. The flavors of lime zest, nectarine and quinine water, however, will snap you out of that scent trance."

OWEN BARGREEN

"This shows incredible texture and sense of weight with bright acidity with gooseberry and melon tones, as well as baking spices and Pink Lady apple flavors."
